- Children 6 years old and over who can communicate in English can join the tour. Tour fee is the same for adults and children.
- Accommodation is at Tomoekan 8th Station, located at an altitude of 3,400 meters, approximately 1.5 hours from the summit. Facilities include free smartphone charging, Wi-Fi, eco-friendly flush toilets with heated seats (200 yen tip required), and shelves for personal items.
- Sleeping arrangements are shared, but room allocation ensures men and women do not sleep next to each other. For shared room plans, even within the same booking group, rooms may be separated (e.g., male and female participants).
- Private room guaranteed plans are available but limited to groups of 2 people (rooms are limited per day). Single participants cannot apply.
- A 500ml bottle of mineral water is provided to each participant.
- Additional food, drinks, and items such as earplugs or raincoats can be purchased at the mountain hut.
